SECTION 1190
OF THE BANKRUPTCY CODE DATED MAY 3, 2023**

**TO: ALL PARTIES-IN-INTEREST, THEIR ATTORNEYS OF RECORD AND TO THE
HONORABLE UNITED STATES BANKRUPTCY JUDGE:**

**I
INTRODUCTION**

Identity of the Debtors

DFW Boat Specialist, LLC ("Debtor") filed its voluntary Chapter 11 case in the United States Bankruptcy Court for the Eastern District of Texas, Sherman Division ("Court") on February 22, 2023. The Debtor operates a automobile dealership along with a automotive and boat repair business in Denton, Texas. The Debtor proposes to restructure its current indebtedness and continue its operations to provide a dividend to the creditors of Debtor.

Explanation of Chapter 11

Chapter 11 is the principal reorganization chapter of the Code. There are different types of Chapter 11 designations. In this case, the Debtor has chosen to proceed under a Subchapter V- Small Business Debtor Reorganization (“Subchapter V”). Pursuant to a Subchapter V Chapter 11, a debtor is authorized to reorganize its business for its own benefit and that of its creditors and equity interest holders. Formulation of a plan of reorganization is the principal purpose of a Chapter 11 reorganization case. A plan of reorganization sets forth the means for satisfying claims against and interests in the debtor. After a plan of reorganization has been filed, it must either be accepted by holders of claims against, or interests in, the debtor, or be found by the Court not to discriminate unfairly and that it is fair and equitable with respect to each class of claims or interests that is impaired under the plan that has not accepted the plan.

Explanation of the Process of Confirmation

Acceptance of the plan by the Creditors and Equity Interest Holders is important. In order for the plan to be accepted by each class of claims, the creditors that hold at least two thirds (2/3) in amount and more than one-half (½) in number of the allowed claims actually voting on the plan in such class must vote for the plan and the equity interest holders that hold at least two-thirds (2/3) in amount of the allowed interests actually voting on the plan in such class must vote for the plan. As set forth above, a Subchapter V Chapter 11 does not require that each holder of a claim against, or interest in, the debtor vote in favor of the plan in order for it to be confirmed by the Court.

Confirmation of the plan discharges the debtor from all of its pre-confirmation debts and liabilities except as expressly provided for in the plan and Section 1141(d) of the Code. Confirmation makes the plan binding upon the debtors and all claimants, equity interest holders and other parties-in-interest, regardless of whether or not they have accepted the plan.

Voting Procedures

Unimpaired Class. Claimants in Classes 1 and 9 are not impaired under the Plan. Such Classes are deemed to have accepted the Plan.

Impaired Classes. The Class 2 through 8 Claimants are impaired as defined by Section 1124 of the Code. The Debtor is seeking the acceptance of the Plan by Claimants in Classes 2 through 8. Each holder of an Allowed Claim in Classes 2 through 8 may vote on the Plan by completing, dating and signing the ballot sent to each holder and filing the ballot as set forth below.

For all Classes, the ballot must be returned to Eric A. Liepins, 12770 Coit Road, Suite 850, Dallas, Texas 75251. In order to be counted, ballots must be **RECEIVED** no later than at the time and on the date stated on the ballot.

Best Interests of Creditors Test

Section 1129(a)(7) of the Code requires that each impaired class of claims or interests accept the Plan or receive or retain under the Plan on account of such claim or interest, property of a value as of the Effective Date of the Plan, that is not less than the amount that such holder would so receive or retain if the Debtor was liquidated under Chapter 7 of the Bankruptcy Code. If Section 1111(b)(2) of the Bankruptcy Code applies to the claims of such class, each holder of a claim of such class will receive or retain under the Plan, on account of such claim, property of a value, as of the Effective Date of the Plan, that is not less than the value of such holder's interest in the estate's interest in the property that secures such claims. In order for the Plan to be confirmed, the Bankruptcy Court must determine that the Plan is in the best interests of the Debtor's creditors. Accordingly, the proposed Plan must provide the Debtor's creditors with at least as much as they would receive in a Chapter 7 liquidation. It is anticipated that in a Chapter 7 liquidation, the Debtor's creditors, other than the secured creditors, would receive nothing. Accordingly, since the Plan proposes a substantial dividend to all creditors, such creditors are receiving more than they would receive in a Chapter 7 liquidation. Accordingly, the Plan satisfies the requirements of Section 1129(a)(7).

ARTICLE IV

FINANCIAL PICTURE OF THE DEBTOR

The Debtor was formed in September of 2020. The Debtor business began as a boat repair business. As the business grew began to see more opportunity in also providing automotive repairs. Over time, the Debtor was approached about selling vehicles. In February 2022, the Debtor started AR Motors as an assumed name and began selling vehicles.

The Debtor entered into a series of agreements with various automobile finance companies who provided the Debtor with inventory financing, commonly known as floor planning. As the Debtor's automobile selling business quickly expanded the demands for payments by the floor planners reduced the Debtor's available cash and the Debtor was forced to incur certain high interest

short term debt. The high interest short term repayments caused the Debtor fail further behind on its daily operations bills. The Bankruptcy was filed to restructure the overall debts of the company to maintain operations.

Post Petition Operations

Once the bankruptcy was filed, the Debtor experienced a number of unexpected issues which have made the operations difficult. Despite having never been late on any payments or have never defaulted in any way, immediately upon the filing the Debtor three major floor planners, Westlake Financial Company, LLC, Next Gear Capital, Inc. and XL Funding and Axle Funding refused to continue providing the Debtor with inventory under the floor plan agreements. Westlake, also refused to release monies to the Debtor. The Debtor was forced to file Motions with the bankruptcy Court to get monies released by Westlake. Additionally, even though the Debtor has timely made all payments under the terms of the Court's Cash Collateral Order to the floor planners, the floor planners continuously refuse to timely provide titles for paid off vehicles to the Debtor and Debtor's customers.

As a result of these continued actions, the Debtor has had to close two of its locations and completely revamp its business. The Court has awarded the Debtor sanctions against Westlake for its actions.

Future Income and Expenses Under the Plan

The Debtor filed this case on February 22, 2023 and has been able to continue operations albeit in a different manner than when it filed. As set forth above, as a result of the inability to receive any cooperation from the floor planner, the Debtor has had to reduce its foot print, and move into automobile and boat repairs. Fortunately, these areas have proved profitable. The Debtor continued to sell its remaining inventory and those vehicles that were not financed by the floor planners. The Debtor intends to continue operations. Attached hereto as Exhibit "A" are projections of gross income, expenses and operating income for the next year. It is anticipated that after confirmation, the Debtor will continue in business. Based upon the projections, the Debtor believes it can service the debt to the creditors.

Post-Confirmation Management

The Debtor is currently owned 50% by Richard Gay and 50% by Andrew Kolka. After confirmation the ownership will remain the same.

ARTICLE V.

ANALYSIS AND VALUATION OF PROPERTY

The Debtor operates an automobile and boat repair company. The Debtor additionally, maintains an automobile dealership. The Debtor's assets consist of the vehicles for sale, the equipment and inventory in the service area, and the funds in the bank. The value of the Debtor's

assets, if liquidated, would not provide a greater dividend to the unsecured creditors than proposed under this Plan.

A liquidation analysis of the Debtor's assets is attached hereto as Exhibit "B".

FEASIBILITY OF PLAN

The projections of the future business operations are attached hereto as Exhibit "A". The Debtor believes that the projections are accurate based upon the historical operations of the business. Based upon the projections, the Debtor believes the Plan to be feasible.

ARTICLE IX
RETENTION OF JURISDICTION

The Bankruptcy Court's jurisdiction to enforce or interpret this Plan shall be retained under the Plan.

ARTICLE X.
ALTERNATIVES TO DEBTOR'S PLAN

If the Debtor's Plan is not confirmed, the Debtor's bankruptcy case may be converted to a case under Chapter 7 of the Code, in which case a trustee would be appointed to liquidate the assets of the Debtor for distribution to its Creditors in accordance with the priorities of the Code. Generally, a liquidation or forced sale yields a substantially lower amount. In Debtor's case the assets the Debtor maintains that are not subject to the floorplan agreements have a value in their current state of \$35,000. At a forced sale the Debtor believes the actual amount received would be less. The amount owed to the tax creditors is \$30,000, therefore, a liquidation would not result in a distribution to the unsecured creditors.

A liquidation analysis is attached hereto as Exhibit "B".

ARTICLE XI
STATUS OF EXECUTORY CONTRACTS AND LEASES

All unexpired leases and executory contracts shall be assumed on or before the Effective Date. To the extent there are any unexpired leases or executory contracts, which have not been assumed or dealt with in this Plan or Court Order prior to the Effective Date, they are rejected except the current lease with its Landlord at the location of 2401 Wittingham, Denton Texas which is specifically assumed by this Plan.

The Debtor will be entitled to no more than two (2) notice of default during the term of the Plan from any creditor. Upon a third default to that creditor, the automatic stay as to that creditor shall be automatically terminated.

ARTICLE XIII
DISCHARGE

Upon Confirmation pursuant to 11 U.S.C. §1191(a) to the extent that a Claim or Debt has been dealt with under this Plan, such Claim or Debt will be discharged. Upon confirmation pursuant to 11 U.S.C. § 1191(b) discharge shall occur upon completion of all payments required under this Plan.

The automatic stay imposed by Section 362 of the Code or any preliminary injunction granted by the Court to allow for Substantial Consummation of this Plan shall remain in effect until the Effective Date.

ARTICLE XIV
RISKS TO CREDITORS UNDER THE DEBTOR'S PLAN

Claimants and Equity Interest Holders should be aware that there are a number of substantial risks involved in consummation of the Plan. The Plan contemplates that there will be excess funds to pay Creditor Claims.

ARTICLE XVI
TAX CONSEQUENCES TO THE DEBTOR

Implementation of the Plan may result in federal income tax consequences to holders of Claims, Equity Interest Holders, and to the Debtor. In this case all creditors will be paid in full the amount of their claims. Tax consequences to a particular Creditor or Equity Interest Holder may depend on the particular circumstances or facts regarding the Claim of the Creditor or the interests of the Equity Interest Holder. **CLAIMANTS ARE URGED TO CONSULT THEIR OWN TAX ADVISOR AS TO THE CONSEQUENCES OF THE PLAN TO THEM UNDER FEDERAL AND APPLICABLE STATE AND LOCAL TAX LAWS.**

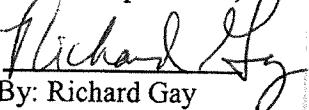

ARTICLE XVII
PENDING OR ANTICIPATED LITIGATION

The Debtor has evaluated potential claims which may be brought. The Debtor is unaware of any litigation which could be brought for the benefit of the creditors of the estate.
